Some tips

➤ Описывать нужно только **одну** фотографию из трех.

➤ Четко придерживайтесь плана высказывания.

- Вступление.
- Основная часть
- Заключение

➤ Не забывайте про время и объем высказывания.

- 12-15 предложений
- Монолог - 2 мин.

➤ Представьте, что люди на фото вам знакомы.
Это не обязательно, но рассказывать будет легче.

- Imagine that while **travelling during your holidays...**
- Imagine that while **celebrating New Year ...**
- Imagine that you are looking through **your family photos...**

Introduction

- As you know, I've got a little brother. He is mad about animals. Just look.
- As I've told you, my family likes travelling. Look at this photo. Isn't it wonderful?
- You know that I often take photos for my school projects. Have a look at this one.
- As a rule, I take a lot of photos during my holidays.
- Guess what? I'm going to show you one of my new photos.

Main part

Основная часть – это ваши развернутые ответы на все 5 пунктов задания.

- Не бойтесь пофантазировать, но старайтесь, чтобы рассказ казался естественным.
- Активно используйте разговорную лексику, речевые клише и средства логической связи.
- Не забудьте, что вы **обращаетесь к другу**.

1. ... when you took the photo;

Чтобы ваш ответ не состоял из одной только фразы, добавьте сюда пояснения о том, например, где вы тогда были, с кем, почему.

Use
Past Simple

- I took this photo last winter when I went to the mountains with my family. It was an unforgettable trip!
- Look at this photo. I took it two days ago when I was in the country with my friends. We had a wonderful time there!
- I took this photo last summer. The weather was very hot at that time and our family decided to go to the seaside.

2. ... what/who is in the photo;

Назовите и опишите людей/животных / место, где происходит действие. Не увлекайтесь описанием незначительных деталей.

- In the photo you can see my sister. Her name is Irina and she is a good athlete. Whenever she has free time, she goes to the stadium to exercise.

- You can see some funny children in the playground. There is a simple football gate behind them. The grass is bright green and the trees in the background are green too.

3. ... *what is happening;*

Use
Present
Continuous

Опишите то, что происходит на фото. Это могут быть не только действия людей, но и их внешность, одежда, настроение. Можно отметить общую атмосферу происходящего, погоду, и т.д.

- My twelve-year-old brother looks a bit older than his age. He is sitting on a thick brunch of an old tree. I guess he is dreaming or thinking about something important for him. He is wearing smart clothes. The atmosphere is calm and relaxing.

Family picnic

Just one simple example

Imagine you know them.

- As you know, I've always wanted to have a dog.
- A week ago I got a wonderful puppy as a birthday present. I immediately took several photos of my new pet Sherry. Have a look at one of them.
- In the picture you can see the puppy with my elder brother Max. Sherry is as black as a piece of coal. Max says my pet is really cute and funny.
- My brother is standing in the middle of the room. He is holding Sherry in his arms. Max is looking at the puppy with a smile. Sherry is looking back at him. They seem not to pay any attention to the camera.
- I keep this photo in my album because both Max and Sherry are dear to me. Though the puppy is a new member of our family, I'm sure we'll soon become good friends.
- You haven't seen Sherry yet. That's why I decided to show you this nice photo. No doubt, you'll find it interesting.
- Actually, I'm very happy because my dream came true.
